Syracuse Housing Authority Hosts Landlord Meet & Mingle to Expand Affordable Housing Options

Syracuse, NY – August 25, 2025 – The Syracuse Housing Authority (SHA) is hosting a Landlord Meet & Mingle tonight from 5-7pm at OneGroup Educational Center to connect with local property owners and encourage their participation in the Housing Choice Voucher (Section 8) Program.

The event will highlight the advantages of joining the Section 8 program, such as reliable monthly rent payments, provided the landlord remains in compliance with program requirements, and access to a large pool of tenants actively seeking housing. SHA staff will also walk landlords through the inspection process, tenant orientation, landlord rights, and the support SHA provides to participating property owners.

“Our goal is to engage landlords early, so they have the information and support they need to partner with us,” said William J. Simmons, SHA’s Executive Director. “By opening their doors, landlords can help ensure residents have safe, quality homes to choose from within our Public Housing portfolio and across the wider community

The Landlord Meet & Mingle will also feature representatives from community partners including the Onondaga County Health Department and Housing Visions, highlighting the collaborative efforts underway to support residents and build stronger communities.

For more information on the Housing Choice Voucher Program or to become a participating landlord, visit www.syracusehousing.org/section8.
